

General Information

Welcome to the 2018 DanceQuest recital titled "DanceQuest on Broadway". As we prepare for the upcoming show, please review the following information carefully.

There will be two shows on Saturday, June 9, 2018. The first show will begin at 11am and the second show at 3pm. Once our show order is completed, we will notify you which show your child is in.

Costumes

Costumes will be distributed to dancers in late May. Parents will come into the studio on that day to try them on their child and review specific hair and makeup instructions. Each dancer will take their costume home. Please do not wear them until dress rehearsal. They must be kept clean for pictures and the show.

Costumes requiring tights will come included with your costume. If you are in need of additional tights, they are available in our proshop for purchase. You must wear the tights that come included so all performers have the same shade/color.

Dress Rehearsal

Dress Rehearsal will be held at Naperville North High School on Thursday, June 7 and Friday, June 8. Dancers in multiple classes may have to attend both days of dress rehearsal, but only for your assigned times. Detailed dress rehearsal schedules will be sent out as soon as they are completed (April/May). Please bring your children in full hair, make-up, tights, etc. Dancers may either come in their costume or change when they arrive at the school. If you choose to change at the school please allow extra time prior to your scheduled arrival time. Your student should be completely ready at the scheduled arrival time. Note your arrival time is a half hour before your scheduled picture time. Please do not be late! Dress rehearsal may run early or late, so it is very important to be on time if not early. If you are not present at your scheduled time, we will **not** wait for you. DanceQuest staff will escort the dancers backstage for pictures at the scheduled picture time. The dancers will be escorted to the stage by DanceQuest staff after their pictures, and then escorted back to the lobby by DanceQuest staff after their stage time concludes. Parents will NOT be allowed backstage for pictures and/or rehearsal.

DRESS REHEARSAL ATTENDANCE IS MANDATORY FOR RECITAL PARTICIPATION.

Pictures/DVD

Pictures will be held at Naperville North High School on Thursday, June 7 and Friday, June 8 during Dress Rehearsal. Both group and individual pictures will be professionally taken by Sportography. Picture packages can be ordered online. You will be sent the link prior to dress rehearsal. You may consider a sibling picture in costume as well. Pictures will be mailed directly to your home by Sportography in a timely manner.

Each show will be professionally videotaped by the Sterling Group. DVD order forms will be available at the front desk prior to the show date, at dress rehearsal, and during the show. DVDs will be shipped directly to you from the videographer when they are done.

Tickets

Tickets are \$12 each and are assigned seating. Children 2 and under are admitted free of charge if sitting on a parent's lap. Handicapped seating is marked on the seating chart if you need it (an open space next to regular seating for a wheelchair). Tickets are sold online and will go on sale **MONDAY, MAY 7**. You will follow the link emailed to you to purchase your tickets.

Performance

Dancers need to arrive at Naperville North High School with hair, make-up, tights, etc. on and ready to dance one hour before the show begins. Parents will sign their child in and hand them over to DanceQuest staff who will escort them to the dressing room. Parents can mingle in the lobby until the doors open a half hour before the show. **Only DanceQuest staff and approved volunteers are allowed backstage.**

Each class will perform onstage then return to the dressing room. **All dancers must remain backstage for the entire length of the show.** All performers will participate in a bow/finale at the end of the show so they must keep their costumes on. After the finale/bow all performers will be escorted to the dressing room to gather belongings and then escorted back to the stage for dismissal. **Only one** family member will be asked to stay in the auditorium while everyone else will be asked to head out of the building before dismissal begins. This will help us with crowd control so that we can make sure each dancer gets back to his/her family.

Videos and crafts will be provided to keep dancers occupied while they are in the dressing rooms. Each show should last about 2 to 2 1/2 hours.
