

# DRESS REHEARSAL

Friday, June 8 at Oswego High School

See reverse side for \*CALL TIME and \*\*RUN TIME

**\*Call Time** is your required arrival time. Dancers must be ready to check-in with complete costume, hair, makeup and shoes by their call time.

**\*\*Run Time** is our best estimate of time required to run dress rehearsal on stage. We may run on-time, early, or late.

**DRESS REHEARSAL IS MANDATORY FOR RECITAL PARTICIPATION.** Dress Rehearsal provides the opportunity for each class to experience the stage prior to show day (space, lights, staging, etc). Our DanceQuest staff will be setting lighting during dress rehearsal as well as guiding classes regarding staging and choreography.

**DIFFERENT THIS YEAR:** This will run as more of a true dress rehearsal as opposed to a tech rehearsal in the past. We will be running a more continuous rehearsal with less starting/stopping. Dancer Call Time is set for each Act (half) of each show.

**DANCERS IN ONE DANCE/CLASS:** If your dancer is only performing once, you must arrive at your call time for the Act he/she is in. Once your child is done dancing he/she will be escorted back to you and you are free to go. You are not required to stay for the remainder of dress rehearsal if your dancer is only in that one dance. **A parent or guardian must be present to pick up the dancer.**

**DANCERS IN MULTIPLE DANCES/CLASSES:** If your dancer is in multiple dances in the same Act or in if they dance in both acts of the same show, they must stay backstage and change in the dressing rooms (with the assistance of our staff if needed). Once they have done all of their dances they will be escorted back to you. **PLEASE REMEMBER A NUDE LEOTARD IS THE REQUIRED UNDERGARMENT FOR ALL DANCERS IN MULTIPLE DANCES.** This way everyone is covered when changing costumes. This can be worn *under* tights if tights also must be changed.

**DANCERS IN BOTH SHOWS (11AM AND 2PM):** Please re-check-in for dress rehearsal for the next show. This is our best way to assure we have everyone when we need them. If you are still dancing on stage during the call time for the next show check-in after you are done. We will have a break between dress rehearsals so you will have time to eat and change.

**DANCER CHECK-IN:** Is located at DOOR 8. Check in your dancer here then go to audience entrance at DOOR 11. Parents are **NOT ALLOWED** backstage during dress rehearsal.

**VIEWING:** Our dress rehearsal is open for viewing in the back portion of the auditorium. Please respectfully follow the policies of no eating/drinking in the auditorium and remain quiet to not disrupt rehearsal.

**WHAT TO PACK:** Dance bag with required shoes, costume change pieces, extra hairspray, bobby pins, clean snacks (must be **peanut free** and nothing messy!), water.

**AS ALWAYS:** Follow the hair/makeup/tights/shoes instructions (*COMING SOON*). No nail polish, jewelry, leave valuables at home. LABEL EVERYTHING. DanceQuest is not responsible for lost or stolen items.
